

A Note to our clients
September 16, 2009

The total cost of the assessment is \$1800

At least one half, or \$900, is due by the first day of testing

The balance is due the day of the conference

Neither a summary nor the report will be issued without full payment

What is included in the cost ?

- The testing
- The conference

What is an additional fee (at our current administrative rate)?

- Any additional conference
- Any school meeting
- Testing might also include referrals to other professionals, the cost of which is the responsibility of the client
